

# INTELLI - TREK

**Make your farm more  
Profitable !!!**

## Why 'Intelli - Trek' is the FUTURE !!

In today's competitive world one needs to focus ones farming on making a profit at all times.  
This means:

- a) cutting costs without losing productivity or quality; and
- b) making your employees more **PRODUCTIVE** at the same time.

This tractor offers both of these and more:

- a) Capital outlay is minimal. R 15 000 for a 15hp tractor with 2-speed rotovator.
- b) Variety of implements and strong engine ensure more productive work in less time

This allows **UPCOMING** farmers to start farming with a lower capital outlay and still be able to compete in the commercial arena.

It is also a great investment for **COMMUNITIES** allowing them to build and maintain a community garden or small farm.

## 'Intelli - Trek' offers you the following:

- a) Lower maintenance
- b) Low fuel (Diesel) usage
- c) Easy operation
- d) Great variety of implements
- e) Versatile P.T.O. point for growth using own implements
- f) Can be used in tunnels (Low turning circle of 0.9m)

### Why use 'Intelli – Trek'?

- a) Low capital outlay. One can start with a 15hp tractor with a 2-speed rotovator for only R 15 000.
- b) Boosts productivity. Give your employees or yourself the power to work more productive.
- c) Versatile P.T.O. allows for almost unlimited farming implement options and unique ideas.
- d) Variety of implements. Virtually all types of implements can be used.
- e) Easy operation and maintenance engine.
- f) Remarkable quality.

### What implements are on offer for 'Intelli – Trek'?

- a) Disc plough
- b) Furrow plough
- c) Cultivator drill (planter)
- d) Harvester
- f) Water pump and water canon
- g) Trailer (also with hydraulic option)
- h) Rotary cultivator (Standard with each tractor)
- i) Ditching machine
- j) Powered disc plough
